

VANDOREN HYGROCASE

NEW

*Make your reeds perform
at their best...*

*... no matter
what the climate.*

The ideal humidity range for high quality reed performance is between 40% and 70%. That's why Vandoren is introducing a state-of-the-art digital case that allows you to manage the specific humidity of the case, ensuring optimum performance for your reeds. It can store up to 20 Bb clarinet or alto sax reeds and 12 tenor, baritone saxophone or bass clarinet reeds.
